From The President

Welcome to a New Year in 2008

We have accomplished several things in the past few years. There are still several things we need to work on, and we will. The budget is where it should be based on the income, the maintenance of the neighborhood continues on and we still try to improve on what we have. We will continue with the fencing and hope to complete the three entrances we started on last year. There are still more areas that are becoming a nuisance and that usually means more money. The ground behind the large boulders around the lake is washing out and we will have to spend more money this year to put another band aid on it and hope it holds for awhile. If anyone has any ideas I am all ears !

We have tried in the last year to band together and create a neighborhood watch program and we have had a lot of interest. There were at one time over 40 volunteers that signed up but each time we set up a meeting to learn what to do and how to be successful at this, only a handful shows up. I think this is a program that needs to be started. We have had several occurrences this past year alone that would dictate a need for this type of security. If you are interested in forming a watch program please contact your district leader and/or the office. We will have another start up meeting in April. Gloria Grisham has put a lot of hard work into getting this organized, lets show our support and get this program going!

HAPPY NEW YEAR

For Sale

We have a Chuck Wagon vehicle for sale. It was \$4600.00 new and has less than 20 hours on it. We are asking \$4200.00. It has a water container and its own manual dump bed. It has a 360cc 11hp engine. 2WD. Call Mike 995-7866 to view.

Playground Area

If you see any people at he playground area “especially after dark” that look suspicious please contact the police. We have had two of

the pieces of equipment vandalized again and there has been evidence of “other” activity going on that we do not want in our neighborhood. We try hard to keep the area clean and

presentable for everyone to enjoy but, it is slowly being damaged by people outside of our neighborhood. We need your help and your EYES to assist all of us.

Trunk or treat update

In our previous newsletter we did not list the winners of the Trunk or Treat contests Here they are:

- Scariest Costume (under 7) Lucas Dooley
- Scariest Costume (7-12) Cody Black
- Most Original costume (under 7)
Sophia Vincent
- Most Original Costume (7-12)
Morgan Maddox

Saturday, December 1st we celebrated the holiday season in style with our annual Windsor Winterfest. The seasonably cool weather was perfect for the spirit of the season, allowing for ample use of the moon-bounce and carriage rides. Face painting, crafts for the children, and a freshly-mulched playground gave the children plenty of opportunity for burning off the energy; at least when they weren't in line to sit on Santa's lap.

New attractions included storytelling, courtesy of the Louisville Free Public Library, along with three lit "trees" across the lake. The craft sales tables were well-represented, and the ham raffle was most rewarding... This year we had a raffle for two hams donated to us by **Melton's Food Mart in**

Prairie Village. One Country ham and one City ham, the winners were **Barbara Smith** and **Wayne Skinner.** We raised \$140.00 in raffle tickets and helped buy Christmas Dinner for three families in our community! Mrs. Smith donated her ham back to us and we took it along with the collection of can goods and fed another family!

Thanks a bunch!

I'd like to thank Chris & Tonya Anderson, Curtis Martin, Rebel Plappert, Jessica Leary, and Michelle Vincent for helping organize this event, along with Elizabeth & Scott Berger, DJ Anderson, Derby City Tents, Dave Sivado, Allison Shartzter, James Weeks and Bill Hardy, and all of those who helped with setup, food and running the event.

A large part of the setup included hanging lights and garlands at the lake, providing a festive appearance to the lake area during the holidays (did you notice the new trees across the lake,) courtesy of **Chris Anderson, Curtis Martin and Joe Weston.** Thanks to all who provided their time, effort and supplies!

Thank you,
Mike Berger
