arrangements for
payment

From The President

HAPPY FALL YA'ALL

Well the leaves are turning and grass cutting is about over. That means fall is here. While we all prepare for the busiest holiday time of the year we are all at work on our next two festivals. Yep its time for Halloween and Xmas . This month we will have our 2nd Trunk or Treat event at the lake. Last year was great and Mike Berger and his helpers are promising even more great ideas this year building on the successes of last year. Oh yeah I almost forgot it is also time to get out your rakes.

Oct 6 is our yard sale this year and I'm sure it was a big success again. Thanks to Carolyn Edwards for organizing this again for the benefit of the many treasure hunters out there.

Oct 20th is the next scheduled JUNK DAY. Thank you ECO-Tech
It will also be a day for the need for a couple of helpers to spread mulch at the playground (weather Permitting)

October 15th is the next meeting for the Block watch All 45 volunteers are needed at this meeting it is important. Details inside.

December 1st is the Windsor Winterfest. There are a lot of fantastic ideas brewing if you wish to help contact Mike Berger now to see what you can do. WE NEED CRAFTS AND PEOPLE THAT WANT TO SELL THEM. We will have the craft area again this year but we could use several more vendors. Make plans now to set up and sell your wares. There is no cost to set up.

Elections in November

Elections will be held in November for the representatives from Districts 1, 5, 7, and 9 to serve on the Board of Directors.

This is a great opportunity to be in on the decision making of our Windsor Forest Community.

We will be mailing out letters in October, elections following in November asking for Volunteers to serve. In order to be a candidate you account must be paid in full.

For Sale

We have a Chuck Wagon vehicle for sale. It was \$4600.00 new and has less than 20 hours on it. We are asking \$4200.00 firm. It has a water container and its own manual dump bed.

It has a 360cc 11hp engine. 2WD.
Call Mike 995-7866 to view.

Well What do You Think

Our new entrances are up and if I do say so they look Marvelous. Three of our new entrances are up and the lighting for each will be installed very soon. I think they turned out nice with a little of the old look then brought into the future. We have been receiving several great comments from neighbors and from people outside of our neighborhood. We have mulched them and will start the landscaping next year along with adding sprinklers to keep it looking healthy and green. We are hoping to start on the other entrance maybe next year.

Halloween Trunk & Treat!

When: Saturday, October 27 – 7:00 till 9:00 pm

Where: At the lake

What: Trick or Treating for the kids, Decorated Trunk contest, Carved Pumpkin contest. Scariest Costume and Most Original Costume Contests.

Last year's Trunk & Treat went so well that we'll do it again this year. To be held at the lake, we will mix a Halloween party atmosphere with a "door to door" or "car-trunk to car-trunk" atmosphere.

Drive your car to the Lake parking lot and park nose-in. Show off your decorated trunk, and hand out candy to the neighborhood goblins. The best-dressed trunk will be voted on, and the winner will receive a traveling trophy to proudly display in his house.

If you have a carved pumpkin (not painted), bring it along with a candle for a Carved Pumpkin contest near the playground. The winner will also receive a traveling trophy.

Everyone will be able to vote on the scariest costumes and the most original costumes. Winners will receive special prizes.

Scariest costume – age 6 and under.

Scariest costume – age 7 thru 12.

Most Original costume – age 6 and under.

Most Original costume – age 7 thru 12.

Come on down and vote for your favorites. We will tally the votes at 8:30, and the winners will all receive their prizes and the 15 minutes of fame that comes with it.

As always, if you are unable to participate, but would like to donate candy, donations will be welcome.

For questions or to volunteer, call Mike Berger at 933-7484.

BLOCK WATCH MEETING

The next meeting for the Block Watch will be held at 7 p.m. on Monday, October 15, 2007 at the Fairdale Fire Department Station #2 located on Third Street Road. Renee Stigall, community outreach coordinator in the LMPD Division of Community Relations and Officer Sturgeon attended the last meeting and provided us with helpful and interesting information to assist with this program. Please mark your calendar.

Gloria Grisham

Windsor Wonderland

The time approaches for the Windsor Wonderland on Saturday, December 1, from 2:00 till 5:00 pm.

As usual, this will be held at the lake, but with a bit of a twist. Metro Louisville will block off that section of Windsor Forest Drive, allowing for the craft sales to be much nearer to the action, along with a much safer event for all of us. Signs will be posted, and barricades will visibly separate the event from traffic. In addition, we will provide a porta-can for the convenience of those attending.

Of course, Santa Claus will arrive at 3:00, in addition to carriage rides, craft sales, face painting, cookie decorating, and an abundance of refreshments. Photos with Santa will be available for a nominal fee.

Because this is a volunteer event, we are looking for help from you. Donations of cookies, candy, cupcakes, in addition to chili and soup, add to the festivities. Of course, setup and teardown help is always needed. In addition to electricity for crock pots, we will have a propane stove to heat standard pots.

Now that we will have electricity at the lake, we are asking for donations of any extra Christmas lights (preferably white/clear) you may have. These will be used to decorate the lake area, adding to the atmosphere of the season.

The next planning meeting will be Thursday, November 1. For questions or to volunteer, please call Mike Berger at 933-7484.

Our next JUNK DAY is scheduled for **October 20th 9am to 11am** We have had to change the date as Eco-tech was unable to accommodate what we needed for the previous date.

Items that can not be accepted at the lake for junk day are:

Yard waste

(grass, tree limbs, leaves etc.)

Hazardous liquids, appliances with refrigerant, paints, tires, and commercial trash

Any one have paint or other chemical type items can take these items to Metro's Household Hazardous Waste Collection Center, Hazbin.

Hazbin is located at 7501 Grade Lane. If you have any questions you can call 311.
